SEPTEMBER ARTS & CRAFTS SHOW APPLICATION

ST JOHNS MI

Thank you for your interest in our annual Arts & Crafts Show. This year marks **the 30TH year for our Fall Show**. Throughout the years, we have seen many changes in the crafting industry, however, our show still stands strong. We thank you for your continued participation and support of our show.

To help keep the integrity of the show, we ask that you only bring hand-crafted items and do not try to slip in wholesale items into your booth. All this does is cause frustration between participants, and lower the quality of our show. We work very hard to pay attention to this issue, and deal with it on a case-by-case basis. It there are instances where you feel people are bending the rules, please bring it to Hilda or Christina's attention rather than approaching the participant yourself.

Only pre-registered vendors are allowed to setup for the show. A cancellation policy will be enclosed with your confirmation letter, as well as a parking pass. Please remember you are responsible for your own sales tax.

We ask that if children are with you, they must be supervised at all times, and you do not bring animals with you unless they serve a medical purpose.

Overnight camping is available, and there are four lots with electric and water available for \$20/night. If you are interested in a paid lot, please contact Hilda or Christina directly. If you are in a non-paid lot, there is no electric or water, but you are welcome to run your generator between 7 am and 11 pm. No open fires will be permitted.

If you have any further questions, please do not hesitate to call. We are a seasonal business, so between January and April, you may receive a voice mail message.

ENJOY!
