

Gypsies At Heart Vintage Market

Presents: At the Orchard!

Gypsies at Heart Vintage Market is an upscale, outdoor, curated vintage market that is being held at Uncle John's Cider Mill. We are accepting vendors that sell vintage, antiques, shabby chic, handmade, re-purposed or up-cycled items, industrial, garden and home décor. We are looking for vendor booths to be styled and decorated, with inviting displays.

The 2017 Gypsies at Heart Vintage Market is excited to announce the FIRST Vintage Market to be held at the beautiful, very popular, and historical Uncle John's Cider Mill. The grounds are some of the most beautiful around- with scenic apple trees, fields of green grass, and parking galore. The market will take place on Saturday, August 19th and Sunday August 20th, from 10-5. Set up will be Friday, August

18th from 10- 5. Overnight security will be provided on both Friday and Saturday nights.

Our Vintage Market will be an OUTDOOR show (no tents offered and no electrical), and is an “open space” so you will need to be prepared with appropriate tie downs and cover (if desired but not required). This market will be advertised through Gypsies at Heart and Uncle John’s various social media outlets (Uncle John’s has over 36,000 followers), Flyers, Banners, and postCards.
